Law Clerk Comments:

Under Appellate Rule 212(c)(1)(I) all factual assertions must be supported by a citation to the record. Please provide citations to support the factual assertions in the third paragraph on page 4. The first assertion (that Burnett wanted his property cleaned up by GEICO but GEICO refused) is supported by transcript and record cites in the previous section, but not the assertion that he relied on GEICO's direction not to touch the spill.
